

WASTE AND RECYCLING TRUCK DRIVER TRAINING

Initiated by the Portland Haulers Association this training program prepares participants for middle-wage driver jobs with Portland Hauler Association member companies.

The industry-designed training includes:

- 12-weeks of integrated hands-on and classroom training
- Preparation for Oregon's Commercial Driver License (CDL) Test
- Industry relevant topics:
 - Container Moving
 - Customer Service Skills
 - Fire Safety Training
 - Garbage Truck Cleaning
 - Hauler Specific Inspections
 - Route Sheet Reading
 - Using Hydraulic Hand Controls
- Site visits to transfer station, landfill sites and recycling centers.
- Interviews with local employers upon graduation.

Entry-level driver positions in Portland's garbage and recycling industry offer:

- Career stability
- Opportunity for advancement into leadership positions
- Wage growth
- Wages ranging from \$18 - \$29/hour (depending on shift and union/non-union employer)

To be eligible for this class participants:

- Be at least 21 years of age, or turn 21, by end of training
 - Pass a drug screen prior to the start of training
 - Be legally eligible to work in the United States
 - Have had a Class C State Driver License for at least one year
- Priority for acceptance to the training will be given to women and people of color.
