

A star in the heavens has been named in memoriam

Your certificate indicates the new name of the star and its telescopic coordinates. The star chart shows the star's specific location.

The newly named star along with its telescopic coordinates will be permanently filed in the International Star Registry's vault in Switzerland and recorded in the astronomical compendium YOUR PLACE IN THE COSMOS, copyrighted in the United States of America.

*"A few fair years you may forget my passing by, but if I light one tiny star within your sky, one clear blue star which will yet be shining when I die, my passing by dear one will not have been in vain"*
