CONTRACTOR must meet program objectives outlined in Statement of Work exhibit.

6. Procurement Policies and Procedures

CONTRACTOR shall comply with the applicable regulations and cost principles outlined in this Agreement, or with its own procurement procedures, whichever is more restrictive.

The Uniform Administrative Requirements (2 CFR 200.317-36) require all recipient procurement transactions to be conducted in a manner to provide, to the maximum extent practical, open and free competition.

In compliance with Executive Orders 12876, 12900, 12928 and 13021, CONTRACTOR is strongly encouraged to provide subcontracting opportunities for Historically Black Colleges and Universities, Hispanic Serving Institutions, Tribal Colleges and Universities; and small businesses, minority-owned firms, and women's business enterprises.

7. Expenditure Restrictions

A. Allowable Activities

CONTRACTOR must use and expend the funds awarded hereby solely to implement the project described in the Statement of Work exhibit, in accordance with the Budget Exhibit, and within limitations outlined in those documents. CONTRACTOR may not use or expend the Contract funds in violation of the limitations and restrictions set forth in this Agreement.

B. Budget Limitations

CONTRACTOR shall be paid only within the established contract Budget and the related Budget Line Flexibility outlined in the Budget Exhibit. All costs must be reasonable, necessary, allowable and allocable as defined by federal and State of Oregon laws and rules, including applicable OMB Circulars, Pass-Through Entity (the "Pass-Through Entity", if any, is identified on the signature page of the Contract), and Worksystems' policies and procedures.

C. Dual Payment

CONTRACTOR shall not be compensated twice for costs incurred under this Agreement. Costs may be shared by other sources of funds to achieve the outcomes described in this Agreement, in accordance with generally accepted accounting principles.

Additionally, the updated Worksystems Billing Workbook must also be submitted electronically to the Worksystems Administrative Contact (fiscal@worksystems.org) at the time of the payment request.

Upon receipt of the CONTRACTOR'S payment request with the required documentation, Worksystems will review the request for accuracy and compliance with the Contract Agreement. Accurate, and if necessary, corrected, billing workbooks and any required supporting documentation are due to Worksystems by the close of business on the 20th day of the month or the following business day if the 20th falls on a weekend or holiday. Accurate, and if necessary corrected, billing workbooks and supporting documentation received after the 20th day

of the month will not be processed for Worksystems' funders and pass-through entities' current billing cycle.

Due to the requirements of many of Worksystems' funding sources, payment shall be processed in the normal course and manner for Worksystems' accounts payable, and will be paid as soon as administratively possible following Worksystems' receipt of payment from all funders and pass-through entities providing the funds for CONTRACTOR's services under this contract.

CONTRACTOR shall minimize the time elapsing between receipt of funds from this Agreement and the disbursement of these funds in order to maintain a minimum cash balance. Interest earned shall be accounted for as program income. This treatment of interest does not allow the CONTRACTOR to ignore the requirements or intent of these cash management requirements.

Payment shall not be construed as a waiver of Worksystems' right to challenge CONTRACTOR's performance under this Agreement and to seek appropriate legal remedies.

9. Financial Documentation

CONTRACTOR shall retain original expense documentation, including proof of payment and accrued liabilities. Documentation shall include canceled checks, invoices annotated with date paid, check number, annotated receipts, payroll ledgers, and accounts payable ledgers. All documentation will have appropriate approval signatures. Documentation of costs which are allocable to more than one line item and/or which are only partially allocable to the contract Budget shall be annotated with amounts allocated to each source.

All direct costs that are charged to this Contract shall be for reasonable and necessary activities relating to the Contract. All costs not charged as a direct cost must be justified by the application of an allowable Indirect Cost Allocation Plan and/or allocation methodology. CONTRACTOR shall maintain written cost allocation plans for all allocated costs charged to this contract. All costs applied to this Contract must be consistent with the requirements of Federal Regulations including 2 CFR Part 200. All allocation methodologies and costs pertaining to this Agreement are subject to Worksystems review and approval before reimbursement through Worksystems.

For participant direct payments, the CONTRACTOR is responsible for documenting payments in accordance with applicable Worksystems policies and procedures and for reporting detail as required by the Funder (the "Funder" is the Pass-Through Entity, the Awarding Agency, or, if both are identified in the Contract, collectively, both). Worksystems will notify CONTRACTOR when there are specific reporting requirements and if it has actual knowledge of any changes to the specific reporting requirements.

The CONTRACTOR's financial systems shall allow for effective fiscal and internal controls and accountability for funds, property, and other assets to ensure they are used solely for authorized purposes. CONTRACTOR shall maintain all data elements used in required reports in accordance with established program definitions.

- F. Show the distribution of Contract-funded personnel time by fund.

11. Financial Audits and Compliance Monitoring

The CONTRACTOR shall adequately evaluate and monitor its own programs on a regular basis and shall establish sufficient internal controls necessary to safeguard against non-compliance, fraud, and abuse.

If it is determined through audit or other means that the CONTRACTOR has violated or permitted violation of the terms or conditions of this Agreement, the CONTRACTOR shall repay to Worksystems the amount of funds directly related to that violation, as determined by such auditor or Worksystems.

A. Financial Audits

CONTRACTOR must comply with federal audit requirements found at 2 CFR Part 200.500-521, and Appendix X and XI.

If CONTRACTOR expends an aggregate of \$750,000 or more in federal funds annually, CONTRACTOR must conduct an annual organization-wide financial and compliance audit in accordance with the above federal rules.

Unless specifically authorized by Worksystems in writing, CONTRACTOR shall submit the audit report to Worksystems no later than thirty (30) calendar days after receipt of the report or within one hundred twenty (120) calendar days following the close of the CONTRACTOR'S fiscal year, whichever is sooner. Audits performed under this section are subject to review and resolution by Worksystems or its authorized representative.

The CONTRACTOR shall, in accordance with Worksystems' timelines, be responsible to resolve and respond to any and all issues that relate to audits of activities that are funded through this Agreement.

CONTRACTOR will monitor expenditures to date on a monthly basis to ensure that the budget-to-actual amounts demonstrate expenditure rates that are consistent with the percentage of the program year that has transpired. CONTRACTOR will pay particular attention to all participant cost categories to ensure that adequate investments in participants are being made throughout the program year.

Where CONTRACTOR has issued subcontracts under this Contract, CONTRACTOR must have a monitoring policy in place to ensure that expenditures meet funding requirements, program performance goals are being met, and participant eligibility requirements are followed. CONTRACTOR will monitor all subcontractors to ensure compliance and where a subcontractor has monitoring findings a course of corrective action is to be taken and resolution validated.

12. Disallowance of Payments

If it is determined through audit, monitoring or other means that the CONTRACTOR has received payments which are questioned by Worksystems the CONTRACTOR shall be notified and given the opportunity to justify questioned payments prior to Worksystems’ final determination of disallowed payments. The CONTRACTOR agrees to participate in and be bound by disallowed cost determinations arising out of Worksystems’ disallowed cost resolution process.

If a Contract payment is disallowed, CONTRACTOR shall repay the full amount of the disallowance to Worksystems within thirty (30) calendar days of receipt of request, or other time schedule as determined by Worksystems.

Worksystems’ failure to either discover or act upon a breach of this Agreement shall in no way relieve the CONTRACTOR of its obligation to repay disallowed costs.

If the CONTRACTOR fails to comply with any of the requirements, terms, or conditions of this Agreement, Worksystems may, at its discretion, suspend, withhold, or disallow all or any portion of amounts otherwise payable under this Agreement

13. Records Standards, Access to Records and Record Retention

A. Records Standards

The CONTRACTOR agrees to maintain records that will provide accurate, current and complete disclosure of the status of each program, including, but not limited to, participants, financial, and program operations. The books of account and records must be maintained in sufficient detail to permit the Awarding Agency, the Pass-through Entity (if applicable), Worksystems and their duly authorized representatives to verify how the contract funds were expended or utilized. CONTRACTOR shall safeguard and maintain the confidentiality of all program records and documents through proper accounting and program procedures and practices. CONTRACTOR must comply with the standards in the most recent versions of appropriate Uniform Administrative Requirements and Worksystems policies and procedures.

B. Record Storage and Access

Records shall be retained and stored in a manner that will preserve their integrity and admissibility as evidence in any audit/litigation or other proceeding. The burden of production and authentication of the records shall be on the custodian of the records. The CONTRACTOR will maintain a plan for record recovery should critical records be lost.

After reasonable notice, at any time during normal business hours and as often as Worksystems may deem necessary, the CONTRACTOR shall make available for examination all its records relating to all matters covered by this Agreement to the named entities and representatives identified in Section 27.B. of this Agreement.

This provision includes access to the CONTRACTOR’s personnel for the purpose of interview and discussion of such documents, and the delivery of all the documentation to a location designated by Worksystems for purposes of review. The rights of access are not limited to the required retention period or agreement term but shall last as long as records are retained.

If record storage is located other than at the CONTRACTOR’S principal place of business the CONTRACTOR shall inform Worksystems in writing of the exact location where all records, reports, and other documentation and physical evidence are to be retained; the original records shall remain the responsibility of the CONTRACTOR. Additionally, the CONTRACTOR will inform Worksystems in writing of any location changes prior to the date the records, reports and other documentation and physical evidence are moved. Any storage of the records, reports and other documentation beyond the boundaries of Worksystems’ service delivery area shall require prior written approval from Worksystems.

If the CONTRACTOR entity ceases operations, the CONTRACTOR shall provide an inventory of and all the records, reports and other documentation covered under this and any previous agreements between CONTRACTOR and Worksystems to Worksystems.

If not submitted for negotiation, the three-year period identified in 13.C.1) above shall apply.
- 4) Retain all records pertinent to applicants, registrants, eligible applicants/registrants, participants, terminees, employees and applicants for employment as required in 13.C.1) above. Participant files should be organized and stored by program year using the participant's year of exit.
- 5) Retain records regarding complaints and actions taken on the complaints for a period of not less than three (3) years from the date of resolution of the complaint.
- 6) Retain all records beyond the required period if any litigation or audit has begun or a claim is instituted involving the grant or agreement covered by the records. The records shall be retained until the litigation, audit or claim has been resolved or the specified destruction date, whichever is longer.

In the event that more than one of the record retention periods identified above applies, the CONTRACTOR will comply with the longest applicable record retention period. After the record retention period has passed, any records destroyed must be commercially shredded.

D. Limitation of Public Access to Records

If disclosure of trainee records is requested by the public, current confidentiality or non-disclosure standards in ORS 192 and OAR 589-020-0330, pertaining to records of participants, shall apply. 14. Contracts and Assignments

The CONTRACTOR shall not assign or transfer any interest in this Agreement in whole or in part, or any right or obligation hereunder, without the prior written approval of Worksystems.

If approved, any contract entered into by the CONTRACTOR is not an obligation of Worksystems. The CONTRACTOR shall not represent that it has the power or authority to obligate Worksystems. No approval by Worksystems of any assignment or transfer shall be deemed to create any obligation of Worksystems in addition to those set forth in this Agreement. In no case shall such consent relieve the CONTRACTOR from the obligation under, or change the terms and conditions of, this Agreement, unless otherwise provided. The provisions of this Agreement shall be binding upon and shall inure to the benefit of the parties hereto, and their respective successors and permitted assigns, if any.

Worksystems has the right to assign all Contract rights and responsibilities at any time by giving written notice of assignment to the CONTRACTOR.

Any work or services subcontracted hereunder shall be specified by a written contract, which shall be properly executed. Any entity that receives a subcontract must provide CONTRACTOR with their Unique Entity Identifier (formerly DUNS) and be registered in the System for Award Management (www.sam.gov) prior to contract execution; the Unique Entity Identifier (UEI) must be maintained in the contract file and be available for review upon request. The CONTRACTOR shall provide a copy of the contract and any modifications to Worksystems, upon request.

The failure by Worksystems to enforce any provision of this Agreement shall not constitute a waiver of that or any other provision.

The CONTRACTOR remains responsible for assuring compliance by such delegates with requirements of the funding sources provided by or through Worksystems, federal, State and local laws, regulations, policies, procedures and this Contract.

The CONTRACTOR shall conduct a program and fiscal monitoring of its subcontractors in accordance with CONTRACTOR monitoring policies and procedures. All program and fiscal monitoring reports for subcontractors of the CONTRACTOR will be provided to Worksystems for review and approval.

CONTRACTOR's ineligibility for the receipt of future awards from Worksystems. If, as a result of an Event of Default (Section 28.B Termination for Cause), Worksystems demands return of all or a portion of the Contract funds, CONTRACTOR shall pay the amount to Worksystems upon Worksystems' demand.

18. Indemnification and Hold Harmless

To the extent permitted by law, the CONTRACTOR shall indemnify, defend and hold harmless Worksystems, its Board of Directors, the Workforce Investment Board, the Awarding Agency, the Pass-Through Entity (if applicable), and their respective directors, officers, agents, representatives, and employees (the "Indemnified Parties"), from, for, and against all claims, suits, actions, losses, damages, liabilities, costs and expenses of any nature resulting from or arising out of the acts or omissions of the CONTRACTOR or the CONTRACTORS employees, agents, or subcontractors work under this Agreement, including but not limited to, CONTRACTOR or the CONTRACTOR's employees' or subcontractors' failure to comply with COVID-19 Safety Requirements then in effect and as applicable.

The CONTRACTOR, however, will be required to indemnify the Indemnified Parties to the extent that damages arise from the fault, negligence, or misconduct of the CONTRACTOR or the CONTRACTOR's employees, agents, or subcontractors.

Notice shall be promptly submitted to Worksystems of any action brought against the CONTRACTOR resulting from or related to this Agreement.

However, CONTRACTOR may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the CONTRACTOR. No officer, employee or agent, any member of his or her immediate family, or an organization which employs or is about to employ any of the parties indicated herein, shall financially benefit from the activities of any program participant or applicant.

24. Patents and Copyrights

B. Copyrights

The CONTRACTOR agrees that it will not knowingly include any material copyrighted by others in any written or copyrighted material furnished or delivered under this agreement without the consent of the copyright owner, unless it obtained specific written approval from Worksystems for the inclusion of such copyrighted materials.

25. Public Information

Whenever written or verbal information related to the services provided through this Contract is distributed to the media or directly to the general public, another agency or governmental audience, whether such information is solicited or unsolicited, the CONTRACTOR shall acknowledge and name Worksystems and the Awarding Agency as providing funding for the services provided through this Contract. Additional applicable public disclosures requirements may be described in contract exhibits.

26. Governing Law, Venue, Consent to Jurisdiction

This Contract shall be governed by and construed in accordance with the laws of the State of Oregon without regard to principles of conflicts of law. If any term or provision of this Contract is declared by a court of

competent jurisdiction to be illegal or in conflict with any law, the validity of the remaining terms and provisions shall not be affected. The rights and obligations of the parties shall be construed and enforced as if the Contract did not contain the particular term or provisions held to be invalid.

Any claim, action, suit or proceeding (collectively, "Claim") between Worksystems and CONTRACTOR that arises from or relates to this Contract shall be brought and conducted solely and exclusively within the Circuit Court of Multnomah County for the State of Oregon; provided, however, if a Claim must be brought in a federal forum then it shall be brought and conducted solely and exclusively within the United States District Court for the District of Oregon. CONTRACTOR, by execution of this Contract, hereby consents to the in personam jurisdiction of said courts.

27. Assurance

By signing this Agreement, the authorized representative certifies that the CONTRACTOR:

A. Financial Capability

B. Access to Records

Will give Worksystems, the Awarding Agency, and Pass-Through Entity (if applicable), the Governor (if applicable) and their duly authorized representatives; appropriate governmental authorities involved in the administration of these funds to extent necessary for its proper administration, authority to audit, examine, and make excerpts or transcripts from its books of accounts, correspondence, papers, records, files, forms, or other documents of the CONTRACTOR including all contracts, invoices, materials, payrolls, personnel records, conditions of employment and other data relating to all matters covered by this Agreement which are necessary to evaluate whether the funds have been spent lawfully, and to determine compliance with all applicable rules and regulations, and the provisions of this Agreement, including the proper allocation of costs. Authorized representatives could include but are not limited to the Director - Office of Civil Rights, the Comptroller General of the United States and the Inspector General.

C. Conflict of Interest

Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain. Every reasonable course of action shall be taken by the CONTRACTOR in order to maintain the integrity of this expenditure of Worksystems' funds and to avoid any favoritism or questionable or improper conduct.

D. Complete the Work

Will initiate and complete the work within the applicable time frame after receipt of approval from Worksystems.

E. Political Activities

Will comply with the provisions of the Hatch Act (5 U.S.C. 1501-1508 and 7324-7328), which limit the political activities of employees whose principal employment activities are funded in whole or in part with federal funds. In addition, the CONTRACTOR agrees to comply with, where applicable, Public

Law 101-121, which prohibits influencing federal financial transactions.

Shall not use funds provided under this Contract for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, radio, television or film presentation designed to support or defeat legislation pending before the Congress, or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself. Nor shall grant funds be used to pay the salary or expenses of any CONTRACTOR staff or agent, related to any activity designed to influence legislation, appropriations regulation, administrative action, or Executive Order proposed or pending before the Congress, or any state government, state legislature, or local legislature body other than for normal and recognized executive-legislative relationships or participation by an agency or officer of the state, local, or tribal government in policy making and administrative processes within the executive branch of the government.

F. Debarment and Suspension

As required by Executive Orders 12549 and 12689 and 2 CFR 200.214 regarding Debarment and Suspension, the CONTRACTOR certifies to the best of its knowledge and belief, that neither it nor its principals:

- 1) Are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency;
- 2) Have within a three-year period preceding this proposal been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

Where the CONTRACTOR is unable to certify to any of the statements in this certification, such CONTRACTOR shall provide an explanation to Worksystems.

28. Contract Termination

A. Termination for Convenience

This Agreement may be immediately terminated by the mutual consent of the parties.

Either party to this Agreement may terminate the agreement without cause by delivering a thirty- (30) day written notice of intent to terminate to the other party.

Worksystems may terminate this Agreement for convenience by delivering to CONTRACTOR at least three (3) days advance written notice of its intent to terminate if Worksystems' funding or

other resources for programs serviced under this Agreement are withdrawn, suspended, or otherwise altered due to COVID-19.

B. Termination for Cause

Worksystems may terminate or modify this Agreement, in whole or in part, in writing, immediately upon notice to CONTRACTOR, or at such later date as Worksystems may establish in such notice, upon the occurrence of any of the following events:

- 1) CONTRACTOR'S misuse of funds provided under this Agreement or any other agreement CONTRACTOR has with Worksystems. Misuse of funds includes any unauthorized or inappropriate use of contract funds that violate federal, state or local laws or regulations.
- 2) Worksystems fails to receive funding at levels sufficient to allow the purchase of the indicated CONTRACTOR services;
- 3) Federal, state or local laws, regulations or guidelines are modified or interpreted in such a way that either the services under this Agreement are prohibited or Worksystems is prohibited from paying for such services from the planned funding source;
- 4) CONTRACTOR no longer holds any license or certificate that is required to perform the work;
- 5) Significant changes in Worksystems priorities, as indicated by direct action of the Board of Directors of Worksystems.
- 6) CONTRACTOR, through any cause, has failed to perform in a timely and proper manner its obligations, in whole or in part, under this Agreement, has failed to make sufficient progress towards its objectives, or has violated any of the covenants, agreements, or stipulations of this Agreement. In this event, Worksystems shall notify the CONTRACTOR of the intended action in writing and specify the effective date thereof.

C. Termination Procedures

In the event of early Contract termination for whatever reason, and after receipt of the Notice of Termination, the CONTRACTOR shall stop work as specified in the notice and cancel outstanding commitments covering the procurement or rental of materials, supplies, equipment, and miscellaneous items. The CONTRACTOR will not enter into any further subcontracts and will not place any further order.

In addition, the CONTRACTOR shall exercise all reasonable diligence to accomplish the cancellation or diversion of outstanding commitments covering personal services that extend beyond the date of such termination, to the extent that they relate to the performance of any work terminated by the Notice. With respect to such canceled commitments, the CONTRACTOR agrees to settle all outstanding liabilities and all claims arising out of such cancellation of commitments or ratify all such settlements.

Further, upon termination, CONTRACTOR shall deliver to Worksystems all documents, information, work-in-progress and other property as detailed in this contract and its exhibits.

D. Payment after Termination

In the event of early Contract termination initiated by either party for whatever reason, the CONTRACTOR shall only be entitled to receive reimbursement for costs incurred for services provided prior to the Contract termination date. It is understood that performance in compliance with the Statement of Work exhibit is a prerequisite to receiving payment.

Notwithstanding the above, the CONTRACTOR shall not be relieved of liability to Worksystems for damages sustained by Worksystems by virtue of any breach of this Agreement by the CONTRACTOR, and Worksystems may withhold any payments to the CONTRACTOR for the purpose of offset until such time as the exact amount of damages due Worksystems from the CONTRACTOR is determined.

E. Close Out Responsibilities and Procedures

Upon notice of termination or expiration of this Agreement, regardless of the reason, CONTRACTOR will work with Worksystems to establish an acceptable close-out plan which will include both program and administrative components and associated due dates that ensure a smooth transition and compliance with all state and federal requirements.

The plan will include, but is not limited to, activities that ensure participants are transferred to another similar program with the least amount of disruption possible; participant files and all financial records are updated and assurances in place of record retention provisions; the timeline for submission of final invoices, quarterly reports, leveraged funds, performance reports and updating I-Trac data; and when applicable, accounting of program income, stand-in costs and match funds are in place.

29. Agreement Modifications

This Agreement constitutes the entire agreement between the parties hereto. Any amendments to this Agreement or its attachments shall be effective only when they are reduced to writing and duly signed by both parties. No waiver, consent, modification, or change of terms of this Agreement shall bind either party unless in writing and signed by both parties. Notwithstanding the foregoing, all amendments created solely to incorporate new laws, rules, guidelines or policies adopted by authorities providing funding to CONTRACTOR through Worksystems shall bind both parties if signed by only Worksystems.

30. Force Majeure

Except as hereinafter provided in this Section, no delay or failure in performance by Worksystems shall constitute a default under this Agreement if the delay or failure is caused, in whole or in part, by a Force Majeure Event. A "Force Majeure Event" means any event beyond the control of Worksystems and that Worksystems is unable to prevent by the exercise of reasonable diligence, including, without limitation, the combined action of workers, strikes, embargoes, fire, acts of terrorism, pandemic, medical epidemic, explosions and other catastrophes, governmental actions or orders, national emergency, war, civil disturbance, floods, unusually severe weather conditions or other acts of God or public enemy.

31. COVID-19 Safety Requirements

The novel coronavirus ("COVID-19") is a contagious disease that has been declared a global pandemic by the World Health Organization. National, state, and local governmental and health authorities have issued certain health and safety requirements and guidance for the general public and for some specific events or businesses to mitigate the risk of exposure to and transmission of COVID-19. CONTRACTOR attests that it is knowledgeable of and understands all current and applicable legal requirements and guidance concerning COVID-19 health and safety practices (collectively "COVID-19 Safety Requirements") and plans to implement and require COVID-19 Safety Requirements in connection with the purpose of this Agreement. CONTRACTOR understands that the COVID-19 Safety Requirements may change from time to time and acknowledges and understands that CONTRACTOR is responsible for ensuring that worksites selected for participant work-based training programs maintain full compliance with

all COVID-19 Safety Requirements at all times in connection with the purpose of this Agreement.

By appropriate written agreement, the CONTRACTOR shall require CONTRACTOR's subcontractors to be bound to the CONTRACTOR by terms of this Section's COVID-19 Safety Requirements and to assume toward the CONTRACTOR all the obligations and responsibilities, including the responsibility for ensuring and requirement compliance of all COVID-19 Safety Requirements in connection with this Agreement. Each subcontractor agreement shall reserve and protect the rights of Worksystems under this Agreement with respect to any issues related to COVID-19 so that subcontracting will not prejudice such rights, and shall allow the subcontractor, unless specifically provided otherwise in the subcontract agreement, the benefit of all rights, remedies, and redress against the CONTRACTOR that the CONTRACTOR, by this Agreement, has against Worksystems.

32. Financial Billing and Reporting Requirements

A. Billing Due Dates

CONTRACTOR shall submit monthly to Worksystems' Administrative Contact all contract billings by the 15th day of the month following the period billed.

All Contract billings shall be submitted by 45 days after end of contract. This will constitute the final contract billing request for each contract referencing this Agreement. No charges submitted more than 45 days after end of this contract will be reimbursed. Worksystems may, at its discretion, withhold payment of the final invoice until all close-out requirements have been met in accordance with Section 28.E.

C. Interim Billing Dates.

All Contract billings for the period through June 30 of any year will be submitted no later than August 15 of that year. This will constitute the final Agreement billing request for this time period. No charges submitted after this date will be reimbursed for any time period preceding June 30 of any year.

D. Financial Status Reports

If required by the funding source, Financial Status Reports for the calendar quarter must be received by Worksystems by the 15th day of the month following the end of the quarter. Expenditure data is required to be reported on an accrual basis. Worksystems will provide CONTRACTOR with the Financial Status Report workbook to be used for this purpose.

33. Expenditure Restrictions

A. Cost Reimbursement

This Agreement is based on a cost-reimbursement method of payment unless otherwise noted in the Budget exhibit.

B. Purchase and Maintenance of Equipment

Equipment or capital outlays may not be purchased with contract funds provided under this Agreement unless expressly allowed for in the Budget Conditions.

When allowed, all purchases must comply with 2 CFR 200.310-327, State, and Worksystems property policies. The CONTRACTOR shall obtain Worksystems' written approval before purchasing equipment which has a useful life of more than one year. For equipment purchases with an acquisition cost of \$5,000 or more per unit, including all costs related to the equipment's final intended use, Awarding Agency approval is required and will be sought by Worksystems upon written request from CONTRACTOR. CONTRACTOR may not purchase equipment in the last year of performance. If any approved acquisition has not occurred prior to the last year of performance, approval for that item(s) is rescinded.

CONTRACTOR shall maintain an up-to-date inventory listing of all equipment and other assets purchased by Worksystems for the CONTRACTOR's program or purchased by CONTRACTOR with funds provided under each contract referencing this Agreement. CONTRACTOR shall implement adequate maintenance procedures to keep such property in good condition.

Inventory records must include the following data on each item with an acquisition cost of \$5,000 or more per unit, including all costs related to the equipment's final intended use, and/or for those items directed by Worksystems to be included in the inventory: Description; serial number; title holder; acquisition date and cost; percentage of federal participation in the cost; location, use, and condition of the property; and any ultimate disposition data including date of disposal and sale price. The CONTRACTOR shall conduct an annual physical inventory of such property for submission to the Worksystems Administrative Contact at the end of each fiscal year.

Equipment purchased with funds under this Agreement shall be intended for use and benefit of participants and activities under this Agreement.

Ownership of all inventoried equipment directly charged to the funds under this Agreement and other assets purchased by Worksystems for the CONTRACTOR's Program rests with Worksystems. Worksystems may take possession of all such property at any time during and upon termination or expiration of this Agreement. All such property shall be returned to Worksystems within thirty (30) days after the contract has terminated or expired unless otherwise authorized by Worksystems.

C. Consultants

Consultant fees paid under this Agreement shall be limited as provided in Federal Acquisition Regulation Clause 31.205-33 or other applicable state or federal law. The current limitation for Federal funds is \$710 per day.

D. Salary and Bonus Limitations

Under Public Law 113-235, Section 105, none of the funds appropriated under the heading 'Employment and Training' shall be used by a recipient or sub-recipient of such funds to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II. The Executive Level II salary may change yearly and is located at www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/2017/executive-senior-level. The salary and bonus limitation does not apply to vendors providing goods and services as defined in OMB Circular A-133. Where States are recipients

of such funds, States may establish a lower limit for salaries and bonuses of those receiving salaries and bonuses from subrecipients of such funds, taking into account factors including the relative cost-of cost of living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer federal programs involved including Employment and Training Administration programs. See Training and Employment Guidance Letter No. 5-06 for further clarification, available at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2262.

E. Responsibility for Cost Reduction

For activities funded under this Agreement, the CONTRACTOR shall identify training costs supported by other federal, state, or local programs in order to ensure that these federal funds are in addition to funds otherwise available.

34. Financial Documentation for Billing

Financial backup documentation is not required with monthly billings. Worksystems retains the right to ask for backup documentation at any time. Upon request, CONTRACTOR will provide copies of actual source documents or general ledger detail supporting all invoiced expenditures at the time of billing. When general ledger detail is not available or source documentation is excessive, CONTRACTOR may provide a summary of the detail with an attestation to the validity of the information and will maintain the detailed back up as outlined in Section 13 of this exhibit.

35. Technology and Participant Data Management

Worksystems makes use of Internet technologies to communicate with CONTRACTOR and track Contract performance. Email, web information systems, and an internet-based data management system are the primary technologies. To support this technology, CONTRACTOR must have:

- A. Business-grade, broadband internet connectivity.
- B. Network and workstation virus protection that is fully functional and updated at least weekly.
- C. Individual E-mail accounts for staff working with Worksystems allowing attachment size of at least 5 Megabytes.

Documentation of services will be maintained as directed by Worksystems policy and procedures. CONTRACTOR is responsible for entering information into the I-Trac data management system that is supported by required file documentation, staff or customer attestation, as outlined in Worksystems policy and procedures. Performance reports will be available through this same system. *I-Trac Data Entry must be completed within five business days following the activity or data change* to ensure accurate and timely grant reporting.

To support I-Trac technology and use, CONTRACTOR must have:

- D. PCs with 4 GB RAM or more, and 20 GB or more of available disk space.
- E. One of the following Internet browser programs: Chrome-based Microsoft Edge, or the latest version of Google Chrome, including Chrome for macOS.
- F. Monitors capable of at minimum a 1024x768 resolution that is comfortable for the user.

36. Security of Information

A. Personally Identifiable Information

CONTRACTOR must recognize and safeguard personally identifiable information (PII) except where disclosure is allowed by prior written approval or by court order. Recipients must meet the requirements in Training and Employment Guidance letter (TEGL 39-11, Guidance on the Handling and Protection of Personally Identifiable Information (PII)), located at http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=7872.

B. Breach Notification

Any CONTRACTOR who becomes aware of any potential breach of a document or electronic file containing participant personal information will immediately notify Worksystems. A breach occurs when any unauthorized individual or entity gains access to personal information or when unintended disclosure of personal information is made, for example loss or theft of an electronic device containing personal information, loss or theft of a paper document containing personal information, unauthorized access to a network containing personal information, or a document containing personal information being sent to the wrong address.

C. Social Security Number Use

CONTRACTOR will not print a participant's full Social Security Number (SSN) on any document that will be sent through the mail (U.S. or electronic) without a written request from the person whose SSN will be printed on the document, except as required by law. CONTRACTOR will use only the I-Trac Customer ID, the Jobseeker ID, or the last 4 digits of a SSN on documents unless there is a compelling business reason to use the entire SSN. If a document contains a full SSN, CONTRACTOR will take steps to protect the document from unauthorized disclosure. CONTRACTOR will not provide copies of a document containing a full SSN to anyone other than the person whose SSN is listed on the document, except as allowed by state or federal law. CONTRACTOR may provide a copy of a document to a third party with the SSN redacted if the document is otherwise allowed to be released. No CONTRACTOR will publicly post or display a document containing a full SSN.

D. Data and Record Security

CONTRACTOR must develop, implement and maintain reasonable safeguards to protect the security and confidentiality of participant personal information. Employees of CONTRACTOR with access to personal information must take reasonable steps to prevent a breach of the information. Reasonable steps include locking file cabinets, monitoring access to areas containing personal information, locking computer workstations if leaving the area, and maintaining physical control over files, computer workstations, thumb drives, CDs or other media which contains personal information. CONTRACTOR must also ensure the proper disposal of documents or other media which contains personal information. Contracting with a document shredding company will be considered proper disposal of paper documents. CONTRACTOR will be responsible for properly disposing of or erasing electronically stored personal information on hard drives, CDs, thumb drives or other devices under their control.

37. Program Income

Program income must be tracked by funding source and reported to Worksystems on the Worksystems Billing Workbook at the time of each billing and in the appropriate section of the Financial Status Report. If CONTRACTOR generates program income with Contract funds, the program income must be added to the Contract, shall be considered Contract funds, and must be used or expended in accordance with the terms and conditions of this Agreement prior to requesting disbursement of additional funds under this Agreement from

Worksystems. CONTRACTOR will comply with program income requirements outlined in 2 CFR 200.307.

38. Stand-In Costs

Stand-in costs must be tracked by funding source and reported to Worksystems in the appropriate section of the Financial Status Report. In order to be considered as valid substitutions, the costs shall have been reported by the CONTRACTOR as uncharged program costs under the same title and in the same program year in which the disallowed costs were incurred; shall have been incurred in compliance with laws, regulations, and contractual provisions governing funding source; and shall not result in a violation of the applicable cost limitations.

39. Leveraged Resources

Leveraged resources are defined as all resources used by the CONTRACTOR to support activity and outcomes of this Agreement, whether those resources meet federal standards for "match" funds. Leveraged resources that were expended by the CONTRACTOR must be reported as directed by Worksystems.

40. Business Relocation Service Prohibitions

Refer to WIOA and implementing federal and state rules. Federal funds may not be used for:

- A. Relocation of a business or part of a business from any location in the United States, if the relocation would result in any employee losing his or her job at the original location;
- B. Customized training, skill training, or on-the-job training or company specific assessments of job applicants or employees of a business or a part of a business that has relocated from any location in the United States until the company has operated at that location for 121 days or more, if the relocation resulted in any employee losing their jobs at the original location.

41. Public Announcements

When issuing statements, press releases, and requests for proposals, bid solicitation, and other documents describing programs funded in whole or in part with federal money under this Agreement, CONTRACTOR shall follow the Worksystems Public Disclosure Statement policy.

42. Funding Acknowledgement

All written brochures, training materials, curriculum and other written materials whose development is supported in whole or in part with funds provided under this Agreement must contain a funding acknowledgement. The specific language required will be provided by Worksystems upon CONTRACTOR request.

43. Creative Commons License Requirement

Pursuant to 2 CFR 2900.13, to ensure that the federal investment of DOL funds has as broad an impact as possible and to encourage innovation in the development of new learning materials, CONTRACTOR must license to the public all work created with the support of federal funds provided through this Agreement under a Creative Commons Attribution 4.0 (CC BY) license. Work that must be licensed under the CC BY includes both new content created with federal funds and modifications made to pre-existing, CONTRACTOR-owned content using federal funds.

This license allows subsequent users to copy, distribute, transmit and adapt the copyrighted Work and requires such users to attribute the Work in the manner specified by the CONTRACTOR. CONTRACTOR will affix notice of the license to the Work. For general information on CC BY, please visit creativecommons.org/licenses/by/4.0. Instructions for

marking your work with CC BY can be found at wiki.creativecommons.org/Marking_your_work_with_a_CC_license. Questions about CC BY as it applies to specific applications should be submitted in writing to Worksystems.

Only work that is developed by the CONTRACTOR with federal funds is required to be licensed under the CC BY license. Pre-existing copyrighted materials licensed to, or purchased by the CONTRACTOR from third parties, including modifications of such materials, remain subject to the intellectual property rights the CONTRACTOR receives under the terms of the particular license or purchase. In addition, works created by the CONTRACTOR without Federal funds do not fall under the CC BY license requirement.

The purpose of the CC BY licensing requirement is to ensure that materials developed with Federal funds result in work that can be freely reused and improved by others. When purchasing or licensing consumable or reusable materials, CONTRACTOR will respect all applicable Federal laws and regulations, including those pertaining to the copyright and accessibility provisions of the Federal Rehabilitation Act.

44. Intellectual Property Rights

The Federal Government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for Federal purposes; i) the copyright in all products developed under any grant provided under this Agreement, including products developed under a subgrant or contract under the grant or subgrant; and ii) any rights of copyright to which the recipient or subrecipient or a contractor purchases ownership under an award (including, but not limited to, curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. CONTRACTOR may not use Federal funds to pay any royalty or license fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the Department of Labor has a license or rights of free use in such work. The CONTRACTOR, however, may use Federal funds to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated through selling products developed with Federal funds, including intellectual property, these revenues are program income. Program income is added to the contract and must be expended for allowable activities (2 CFR 200.307).

CONTRACTOR will apply the following statement on all products developed in whole or in part with Federal funds: "This workforce product was funded by a grant awarded by the U.S. Department of Labor's Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of the U.S. Department of Labor. The U.S. Department of Labor makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership."

45. WorkSource Portland Metro Centers

If CONTRACTOR is the primary provider of WIOA IB Adult and Dislocated Worker services and training services for other contracted grants within a WorkSource Portland Metro Center, CONTRACTOR is a partner in the WorkSource Portland Metro system and as such acts as a representative and agent of the system in the delivery of program services available through the federal, state, and local grants. This means that CONTRACTOR has authority to sign on behalf of the WorkSource system on training agreements that are required for work-based training programs, including but not limited to, On-the-Job Training Agreements, Employer Workforce Training Agreements, and others that may be developed and communicated through program policy and regional program standards to support service delivery.

If the CONTRACTOR becomes a partner within a WorkSource Center that is located within a State of Oregon Employment Department office, CONTRACTOR will assure that any lease or sub-lease for the WorkSource Center space includes a transfer clause to Worksystems. In the event any contract referencing this Agreement is terminated by either party, CONTRACTOR agrees to transfer the lease/sub-lease and relinquish the space to Worksystems for use by the new service provision CONTRACTOR. Additionally, the CONTRACTOR may not move the workforce development program out of the WorkSource Center without written approval from Worksystems. If the CONTRACTOR is leasing additional space within the WorkSource Center for another program, that relationship will not be impacted by any changes to this Agreement or any contract referencing this Agreement.

46. Lobbying

If the CONTRACTOR is a recipient of federal assistance funds of \$100,000 or more, whether all or only part of the funds are provided by Worksystems, the CONTRACTOR certifies by signature of this Agreement that:

- A. No federal appropriated funds have been paid or will be paid, by or on behalf of the CONTRACTOR, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, cooperative agreement, or any other award covered by 31 U.S.C. Sec. 1352.
- B. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the CONTRACTOR shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- C. The CONTRACTOR shall require that the language of this certification be included in the contract documents for all subcontracts and that all subcontractors shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. Sec. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

47. Veteran's Priority Provisions:

38 U.S.C. 4215 requires CONTRACTOR to provide priority of service to veterans and spouses of certain veterans for the receipt of employment, training and placement services in any job training program directly funded, in whole or in part, by DOL. The regulations implementing this priority of service can be found at 20 CFR part 1010. In circumstances where CONTRACTOR must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the recipient give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. CONTRACTOR must comply with DOL guidance on veterans' priority, ETA's Training and Employment Guidance Letter (TEGL) No. 10-09

(issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by DOL. TEGL 10-09 is available http://wdr.doleta.gov/directives/corr_doc.cfm?DOCN=2816.
